
FLEXIBLE INDUSTRY PROGRAMS (FIPs)

FIPs include Certificate II and III VET qualifications that lead to entry-level employment and/or further education in key South Australian industries. FIPs enable a student to commence a VET qualification whilst at school completing their SACE and are a great option for students who want to start their career.

FIPs aim to support students into school-based apprenticeships and traineeships. They are aimed at Year 11 and 12 students, and may include customised SACE subjects and Skills Clusters to support students to develop skills for work.

AGED CARE AND DISABILITY

Year	Qualifications for Institutional Delivery (o□-the-job)	Contract of Training (on-the-job)	Skills Clusters for Institutional Delivery (o□-the-job)
11	CHC22015 Certificate II in Community Services CHC33021 Certificate III in Individual Support *	**VET for School Students:** CHC32015 Certificate III in Community Services CHC33021 Certificate III in Individual Support *	
12			
	Conditions:	*CHC33021 Certificate III in Individual Support: Students must have completed at least 120 hours of work placement as detailed in the Assessment Requirements of the units of competency. For more information check the Mandatory placement requirements in the Implementation Guide.	

AGRICULTURE

Year	Qualifications for Institutional Delivery (o□-the-job)	Contract of Training (on-the-job)	Skills Clusters for Institutional Delivery (o□-the-job)

Year	Qualifications for Institutional Delivery (o□-the-job)	Contract of Training (on-the-job)	Skills Clusters for Institutional Delivery (o□-the-job)
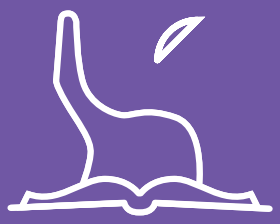
11		**VET for School Students:**	



STACKABLE VET

Stackable VET options are short courses delivered within a school timetable. They can provide students with pre-vocational skills, work preparedness, and the opportunity to try out di□erent areas before committing to a pathway, or provide advanced skills to support students to progress through their pathway. They can be stacked with multiple options for students to explore di□erent areas while developing their skills for work.

PRE-VOCATIONAL QUALIFICATIONS

Pre-vocational qualifications are usually delivered in year 10. They help students explore their areas of interest and the VET environment. They also develop language, literacy and numeracy skills relevant to the workplace and specific industries. Students would generally complete pre-vocational qualifications before commencing a FIP and could use the experience as evidence towards their VET Readiness Orientation (VETRO) requirements.

For institutional/o□-the-job delivery. Endorsement is for full qualifications as listed below:

10890NAT	Certificate II in Learning an Australian First Nation's Language
10891NAT	Certificate III in Learning an Australian First Nation's Language
11041NAT	Certificate II in Further Study Skills
ACM10121	Certificate I in Animal Care Industry Pathways
AHC10120	Certificate I in Conservation and Ecosystem Management
AHC10216	Certificate I in AgriFood Operations
AHC10316
